2021-2022 ACADEMIC YEAR

Shawano School District

Family and Community Resource Center

What is the Family & Community Resource Center?

Shawano School District believes that students want to access their basic needs of mastery and self-actualization but we know that sometimes, students and families face barriers to accessing physiological, or basic needs, of food, water, housing, clothes, etc. In order to support students, families, and the community SSD offers a free family and community resource center to break down barriers in accessing the basic needs for all people.

What Happens at the Family & Community Resource Center?

The Resource Center can offer families or community members some clothing, jackets, winter apparel, food, personal care and hygiene items, and school supplies. It may also be able to offer some household essentials.

While visiting the Resource Center we encourage you to talk with one of our school social workers about other resources. Our school social work team can assist you in applying for or accessing housing, applying for insurance, accessing physical and mental health care, or connecting you with employers.

Contact school social work at:
ssw@shawanoschools.org

How Can I Help?

Shawano School District can accept donations throughout the year. If you have something you would like to donate please contact your school social work team.

SSD school social work team also has a number of community wide events throughout the year. Visit the Student Services Resources and Information website to keep up to date on events!

School Social Work Contacts

Hillcrest: Mikaela Lee 715-524-2134 x 5602

Olga Brener: Dani Zurakowski 715-524-2131 x 4205

Middle School: Jodi Guenther 715-526-2192 x 8158

High School: Cora Heindel 715-526-2175 x 8123

Where?
This year the Family & Community Resource Center has items at both Hillcrest and Brener.

Who?
Your school social workers can help you access the Resource Center.

How?
Call or email your school social worker to schedule a time to come in.
