Hillcrest Primary School & LEADS Charter School Student Services Staff

Mikaela Lee, School Social Worker mlee@shawanoschools.org Phone: 715-524-2131 ext. 5602	School Social Workers are trained mental health professionals who can assist with mental health concerns, behavioral concerns, positive behavioral support, academic, and classroom support, consultation with teachers, parents, and administrators as well as provide individual and group counseling/therapy. They enhance the district's ability to meet its academic mission, especially where home, school and community collaboration is the key to achieving student success.
 Erin Prey, School Psychologist IEP Facilitator eprey@shawanoschools.org 715.524.2134 ext. 5418	School psychologists lead Individual Education Plan teams and conduct testing for IEP services. School psychologists also may provide direct support and interventions to students, consult with teachers, families, and other school-employed mental health professionals (i.e., school counselors, school social workers) to improve support strategies, work with school administrators to improve school-wide practices and policies, and collaborate with community providers to coordinate needed services.
 Kacey Keup, School Counselor kkeup@shawanoschools.org 715-524-2134 ext. 5406	School counselors provide classroom guidance lessons that may focus on academic, personal/social, or career exploration. They offer small group counseling to students that focus on common themes. They also may coordinate activities, groups, and services. School counselors provide individual counseling focused on goals that address problems or obstacles impacting the student. They work to create supportive learning environments for all students. School counselors collaborate with other school staff and teachers to help better support students.

 Amie Beyersdorf, School Counselor abeyersdorf@shawanoschools.org 715-524-2134 ext. 5417	School counselors provide classroom guidance lessons that may focus on academic, personal/social, or career exploration. They offer small group counseling to students that focus on common themes. They also may coordinate activities, groups, and services. School counselors provide individual counseling focused on goals that address problems or obstacles impacting the student. They work to create supportive learning environments for all students. School counselors collaborate with other school staff and teachers to help better support students.
 Agueda Engel, English Language Learning Coordinator aengel@shawanoschools.org 715-524-2134 ext. 8343	The purpose of the Bilingual and ESL programs in the state of Wisconsin is to assist school districts serving students who are English language learners (ELLs) to become proficient in academic English and prepared for their continuing education, and career readiness goals.
 Heather Demerath, School Nurse hdemerath@shawanoschools.org 715-526-3194 ext. 8208	School nursing is a specialized practice of professional nursing that advances the well-being, academic success and life-long achievement and health of students. To that end, school nurses facilitate positive student responses to normal development; promote health and safety including a healthy environment; intervene with actual and potential health problems; provide case management services; and actively collaborate with others to build student and family capacity for adaptation, self-management, self advocacy, and learning (NASN, 2010)
