Dani Zurakowski, School Social Worker dzurakowski@shawanoschools.org Phone: 715-524-2131 ext. 4205	School Social Workers are trained mental health professionals who can assist with mental health concerns, behavioral concerns, positive behavioral support, academic, and classroom support, consultation with teachers, parents, and administrators as well as provide individual and group counseling/therapy. They enhance the district's ability to meet its academic mission, especially where home, school and community collaboration is the key to achieving student success.
 Kristine Mehlberg, School Psychologist IEP Facilitator kmehlberg@shawanoschools.org 715-524-2131 ext. 8323	School psychologists lead Individual Education Plan teams and conduct testing for IEP services. School psychologists also may provide direct support and interventions to students, consult with teachers, families, and other school-employed mental health professionals (i.e., school counselors, school social workers) to improve support strategies, work with school administrators to improve school-wide practices and policies, and collaborate with community providers to coordinate needed services.
 Rhonda Uelmen, School Counselor ruelmen@shawanoschools.org 715-524-2131 ext. 4110	School counselors support academics to include classroom support, goal setting, study skills, and organization; career exploration, personal and social skills to include character education, respect for self and others, interpersonal skills, social skills, problem solving skills, and strength and resiliency. School counselors implement guidance curriculum in the classroom and support individual student planning. Additionally, school counselors can support in crisis situations, collaborate with teachers, families, and other providers as well as offer resources and meet with students for check-in/check-out. School counselors can offer brief counseling in the school and share resources for additional therapy services.
 Agueda Engel, English Language Learning Coordinator aengel@shawanoschools.org 715-524-2131 ext. 8343	The purpose of the Bilingual and ESL programs in the state of Wisconsin is to assist school districts serving students who are English language learners (ELLs) to become proficient in academic English and prepared for their continuing education, and career readiness goals.

 Jessica Wiesman, School Nurse jwiesman@shawanoschools.org 715-526-3194 ext. 8108	School nursing is a specialized practice of professional nursing that advances the well-being, academic success and life-long achievement and health of students. To that end, school nurses facilitate positive student responses to normal development; promote health and safety including a healthy environment; intervene with actual and potential health problems; provide case management services; and actively collaborate with others to build student and family capacity for adaptation, self-management, self advocacy, and learning (NASN, 2010)
