Shawano Community Middle School
Student Services Staff

Jodi Guenther, School Social Worker
Local Educational Agency Rep & IEP Facilitator 6th & 7th Grade
jguenther@shawanoschools.org
Phone: 715-526-2192 Ext. 8158

School Social Workers are trained mental health professionals who can assist with mental health concerns, behavioral concerns, positive behavioral support, academic, and classroom support, consultation with teachers, parents, and administrators as well as provide individual and group counseling/therapy. They enhance the district's ability to meet its academic mission, especially where home, school and community collaboration is the key to achieving student success.

Kristine Mehlberg, School Psychologist
IEP Facilitator
kmehlberg@shawanoschools.org
715-524-2131 ext. 8323

School psychologists lead Individual Education Plan teams and conduct testing for IEP services. School psychologists also may provide direct support and interventions to students, consult with teachers, families, and other school-employed mental health professionals (i.e., school counselors, school social workers) to improve support strategies, work with school administrators to improve school-wide practices and policies, and collaborate with community providers to coordinate needed services.

Jennifer Kamke-Black, School Psychologist
IEP Facilitator Gr. 8, Transition Coordinator
jkamkeblack@shawanoschools.org
715-526-2175 ext. 1106

School psychologists lead Individual Education Plan teams and conduct testing for IEP services. School psychologists also may provide direct support and interventions to students, consult with teachers, families, and other school-employed mental health professionals (i.e., school counselors, school social workers) to improve support strategies, work with school administrators to improve school-wide practices and policies, and collaborate with community providers to coordinate needed services.

 Brittany Pensis, School Counselor bpensis@shawanoschools.org 715-526-2192 ext.	The mission of the school counseling program is to meet the individual needs of all students in the areas of academics, personal and social growth, and career development.  Agueda Engel, English Language Learning Coordinator aengel@shawanoschools.org 715-526-2192 ext. 8343	The purpose of the Bilingual and ESL programs in the state of Wisconsin is to assist school districts serving students who are English language learners (ELLs) to become proficient in academic English and prepared for their continuing education, and career readiness goals.

Jessica Wiesman, School Nurse
jwiesman@shawanoschools.org
715-526-3194 ext. 8108

School nursing is a specialized practice of professional nursing that advances the well-being, academic success and life-long achievement and health of students. To that end, school nurses facilitate positive student responses to normal development; promote health and safety including a healthy environment; intervene with actual and potential health problems; provide case management services; and actively collaborate with others to build student and family capacity for adaptation, self-management, self advocacy, and learning (NASN, 2010)
