School Social Workers are trained mental health professionals who can assist with mental health concerns, behavioral concerns, positive behavioral support, academic, and classroom support, consultation with teachers, parents, and administrators as well as provide individual and group counseling/therapy. They enhance the district's ability to meet its academic mission, especially where home, school and community collaboration is the key to achieving student success.
 Jennifer Kamke-Black, School Psychologist Transition Coordinator & IEP Facilitator jkamkeblack@shawanoschools.org 715-526-2175 ext. 1106	School psychologists lead Individual Education Plan teams and conduct testing for IEP services. School psychologists also may provide direct support and interventions to students, consult with teachers, families, and other school-employed mental health professionals (i.e., school counselors, school social workers) to improve support strategies, work with school administrators to improve school-wide practices and policies, and collaborate with community providers to coordinate needed services.
 Brain Bloesl, School Counselor bbloesl@shawanoschools.org 715-526-2175 ext. 8125	The mission of the school counseling program is to meet the individual needs of all students in the areas of academic, personal and social growth, and career development. The high school counseling program supports 9th grade transition as well as all student career planning and parent/student conferences. School counselors assist with individual student planning to include academic progress checks, career planning, credit recovery options, ACT workshop and PSAT coordination, scholarships and financial aid, and youth apprenticeships. They also assist with crisis counseling, individual and small group counseling and conflict resolution.
