

La Paloma Summer School

Welcome to Summer School!

1. In order to access the Edgenuity program, go to Clever and go to the icon for Edgenuity. From there you can log in with your student ID and password. 
2. You are only allowed to get help for your Edgenuity class from Mrs Capps.
 - The Academic Integrity Policy states no help from other people
 - You cannot use apps, Google, Siri, Alexa, etc.
 - You are the only resource that you can use along with your notes.
3. You need to put in at least 4 hours per day to finish on time.
 - Classes generally take around 30 + hours to finish.
 - 4 hours per day x 10 days should finish your class. You can work as much as you like. When you finish the class you can start the next class for 2nd semester if you have one.

You must complete 100% of the course

4. Make sure to take notes during the lesson so that you can use them for quizzes and tests. Pretesting remains off during the course of the class.
5. If you are having difficulty while working on Edgenuity I am available to help from 12:30pm to 8:30pm via email.
