- May 18 - Foundation Meeting, 6:30 pm
- May 25 - Memorial Day, No School

A MESSAGE FROM OUR PRINCIPAL

Dear Acacia Families,
As we approach the end of another wonderful school year at Acacia, there is a sense of excitement across our campus. The coming weeks are filled with special events that celebrate our students' hard work and growth. Field Days are just around the corner, giving students a chance to enjoy time outdoors and celebrate with their classmates. Our Awards Assemblies will recognize the many accomplishments of our Pandas, highlighting their effort, perseverance, and positive contributions. We also look forward to class plays and performances, where students showcase their creativity and confidence. For our 6th graders, this is an especially meaningful time, with Outdoor Science Camp and Promotion marking the culmination of their elementary school journey.

We are incredibly grateful to our parent volunteers who help make these events possible. Your time, energy, and support truly make a difference for our students and our school community.

It is a joyful season as we come together to celebrate a year of learning and Panda Pride.

Warmly,
Mrs. McCormick

WHERE'S BAMBOO?
BAMBOO THE TINY PANDA IS HIDING IN 5 SPOTS. CAN YOU FIND HIM?
