 - Must have a Collar and Sleeves.
 - All Shirts must be solid in color with no pin stripes or logos of any kind.
 - When long sleeved shirts are worn under the collared shirt, the shirts must be red, white or navy blue.

Our community survey indicated that our community did not see the importance of dress coding students that didn't have their shirts tucked in. Based on community feedback we will not reinforce tucking in shirts. However, some occasions students may be asked to tuck in their shirts (examples: school pictures, assemblies, etc.)
