SCHOOL DISTRICT
Every Student, Every Day...The Hawk Way

District Schools:

- Hillcrest Primary and LEADS Charter School
- Olga Brener Intermediate School
- Shawano Middle School
- Shawano High School

Community Support:

We are proud of the community support that enriches the experiences offered in the Shawano School District. From engaging with our vibrant parent-teacher organizations (PTOs) to providing volunteers for student-centered events, community participation is key. Whether it's reading with students, mentoring, or sponsoring activities, community involvement is crucial and makes Shawano School District a wonderful place for teaching and learning.

Join us at Shawano School District, where we are committed to helping every student soar!

Preparing All Hawks to Fly

Welcome to Shawano School District! With four schools and over 2,030 students, we are the largest district in the county, dedicated to offering a comprehensive curriculum that supports students from 4-year-old kindergarten through high school graduation. Our primary focus is to help each student prepare for success after high school.

At Shawano, we believe in creating positive connections. Whether it's a primary school activity sponsored by our parent organization or a student's participation in one of over 40 clubs and activities, we strive to fully engage every student in their educational journey.

Comprehensive Curriculum

Shawano School District offers a curriculum aligned with Wisconsin's standards, tailored to be age-appropriate for each grade level. Our curriculum includes:

- Literacy
- Math
- Science
- Social Studies
- Foreign Language
- Art
- Music
- Physical Education
- Library Fundamentals
- Technology Fundamentals
- Social Emotional Learning
- Career and Technical Education

We also provide 1:1 technology media resources and academic support for all learners, ensuring that each student has the tools they need to succeed. With a variety of academic, emotional, and special services, along with a focus on career preparation, our staff strives to ensure every student reaches their personal best at Shawano Schools.

515

Grades Served:
4K - 2nd

Hillcrest Primary / LEADS Charter School

Students and Families First

Hillcrest Primary and LEADS Charter school are focused on caring for all aspects of children's academic and developmental needs.

At both schools, we partner with the families and communities we serve. Teachers and staff openly communicate with families about their child's learning. If students need additional support, several on-site specialists include a school psychologist, school counselors, a school social worker, a behavior and sensory interventionist, and an English Language Learner teacher.

In the Classroom

We encourage students to try hard, stretch their abilities, learn from mistakes, and persevere. Our dedicated teachers and support staff help students to become independent learners, use technology strategically, think conceptually using evidence and logic, and appreciate different perspectives and cultures.

As a School

Both Hillcrest Primary School and LEADS Charter School are fun places for children to learn and grow. We are excited to offer explorative play and creation, individualized instruction, the Mielke Discovery Center, and several SMART tracks. We invest in student engagement like the Inchworm Book Vending Machine which enhances the students' excitement for reading and literacy. Be assured, our staff is diligent about continuous improvement and safety for all.

Before and After School

Boys and Girls Club of Shawano County is located inside Hillcrest, providing after-school programming to students in grades 2nd - 5th. The gym is available for youth sports and clubs, and is used regularly by local organizations.

Olga Brener Intermediate School

Our Staff

With a dedicated team of educators and a commitment to fostering a supportive learning environment, Olga Brener provides students with both academic and personal growth opportunities. Our staff inspires curiosity and critical thinking, preparing students for success.

Our Approach

Our approach emphasizes meeting every child's individual needs. The team at Olga Brener proactively identifies and addresses learning challenges, ensuring that students receive the appropriate level of support to succeed academically. This approach promotes early intervention, collaboration among educators, and data-driven decision-making.

Shawano Middle School

Welcome to Excellence

Academic excellence is at the forefront of our mission at Shawano Community Middle School. The dedicated faculty is committed to fostering a love for learning and ensuring each student reaches their full potential. The academic focus involves a well-rounded curriculum that imparts knowledge and nurtures critical thinking and problem-solving skills. Both academic success and the holistic development of each student are prioritized.

Dedicated educators, a supportive community, and a forward-thinking approach make Shawano Community Middle School the ideal choice for a well-rounded and enriching educational experience.

What Sets Us Apart

Shawano Community Middle School boasts a vibrant and inclusive culture. We cultivate a sense of belonging, encouraging collaboration and mutual respect among students, faculty, and staff. Engaging and interactive teaching methods, exciting extracurricular activities, and a positive school culture makes the educational journey enjoyable for every student.

Shawano High School

Supporting Success

Each day, students have 4, 90-minute block periods with a 30-minute lunch break and a 30-minute Hawk Time where teachers meet with students to provide necessary support and enrichment. Hawk Time is used for reviewing, reteaching, catching up, or getting ahead - whatever the student needs to ensure success.

Connections are What Make Us Special

Student connections are very important to help students soar. During weekly homeroom, staff integrate social-emotional learning and academic and career planning (ACP) curriculum. In a recent survey, 90% of students reported that they have a trusted adult at school.

Collaborative Culture

Staff connections are important too! SCHS is a highly collaborative environment for instructors. The ability for teachers to collaborate, discuss, and plan together is an essential part of how we do business. In addition to teachers collaborating in their content areas, each month teachers collaborate in cross-content groups called “Connection Teams.” The objective of this is to provide teachers a venue in which they can professionally grow and learn from one another in the art of teaching while developing common best practices at SCHS.

Shawano High School Connects Students to their Futures

Whether a student is career bound or chooses to pursue more education after high school, the comprehensive high school program prepares students for their future pursuits.
