RE: Every Student Succeeds Act (Public Law 114-95), Section 1112 (e)(2)(A)

Dear Parent/Guardian:

You have the right to know about the mandated assessments your child participates in. The federal Every Student Succeeds Act (ESSA) requires that any school district receiving Title I funds must notify parents that they may request, and the district will provide the parents on request (and in a timely manner), information regarding any State or local educational agency policy regarding student participation in any assessment mandated by ESSA, the State or district. To view the Shawano School District Assessment information please visit:

- All students shall participate in State-wide, and District-wide assessments, and any student with a disability shall be provided appropriate accommodation and/or alternate assessments where necessary as indicated in the student's IEP, ELL plan, or Section 504 Plan.

- Parental Opt Out of Assessments for students: The district shall excuse any student from the state mandated examination administered in the 4th grade, 8th grade, 9th grade, 10th grade, or 11th grade with the proper parent request. To opt out of these examinations, the student's parent must submit a statement in writing to the District Data & Assessment Coordinator stating that the parent is opting out of the examination(s).

Sincerely,

Jason Kuehl
