Path to the Future

Leave a Lasting Legacy

A stone paver on the path to the Computer, Engineering and Technology Innovation Center allows you to leave a lasting mark at Charlotte Catholic High School. Be one of the first to engrave your name, tribute or memory into stone and see it become part of the landscape of CCHS.

Stones are available for donations of $5,000 or $3,000

- Honor your family
- Honor the memory of a loved one
- Present it as a graduation gift
- Honor an alumnus
- Pay tribute to an inspirational faculty member

Your gift not only supports current Charlotte Catholic High School students, but future generations to come!

*Size is determined by donation amount.
