SCHOOL HEALTH SERVICES

2026-2027 School Year

Medication Order

It is this school district's policy to request that medications be given before or after school hours. When this is not possible, prior to receiving the medication (prescription or non-prescription) at school, each student must provide the school nurse with a Medication Order signed by a licensed prescriber and the student's parent/guardian. All medications must be in the original container. This form is valid only for the current school year.
