

# EAST GREENWICH TOWNSHIP SCHOOL DISTRICT

Andrea Evans, Superintendent

Gregory Wilson, Business Administrator

June 4, 2026

Dear East Greenwich Township School Community,

The 2024-2025 New Jersey School Performance Reports were recently released and are available on the NJ School Performance Reports webpage at <https://www.nj.gov/education/spr>.

The School Performance Reports reflect the New Jersey Department of Education's (NJDOE) commitment to providing parents, students, and school communities with a large variety of information about each school and district. We encourage you to use these reports to:

- **Learn more** about your school and district
- **Start conversations** with school community members and ask questions

Our schools are a significant source of pride in our community, and this year's School Performance Reports reflect our continued commitment to excellence.

## What's New in the 2024-2025 School Performance Reports

The School Performance Reports have been completely redesigned for 2024-2025 because of the NJDOE's transition to a new statewide data system. Every year, the reports are updated to respond to stakeholder feedback, federal and state requirements, and data availability. The 2024-2025 changes include:

- New dashboard-based reports that replace many of the prior-year data tables with more visual representations of the data,
- Expanded trend and student group data, with up to five years of performance data; and
- More interactive reports providing options to filter data.

The NJDOE continues to seek public input on ways to improve future reports. Please complete the [School Performance Report feedback survey](#) or email [reportcard@doe.nj.gov](mailto:reportcard@doe.nj.gov) with feedback and suggestions.

Thank you for your continued support of our students and our school community.

Sincerely,

Andrea Evans  
Superintendent
