

2026-2027 Subscription Busing Applications **Are Now Open**

The Sayreville Board of Education will be offering subscription busing for the 2026-2027 school year for middle and high school students whose transportation is non-mandated. Non-mandated transportation applies to 6th through 8th grade students who live less than two miles (2.0) from the middle school, and 9th through 12th grade students who live less than two-and-a-half (2.5) miles from the high school as per N.J.S.A. 18A:39-1 and specified under the criteria of N.J.A.C. 6A:27-1.4. "Distance shall be measured using the shortest route along public roadways or public walkways between the entrance of the student's residence nearest the public roadway or public walkway and the nearest public entrance of the school the student attends".

Families who wish to participate in the subscription busing program must be currently registered indistrict prior to applying. Subscription busing applications will not be processed unless all fees and fines (ex. Food service account balances, book fines, Chromebook fines, etc.) are paid in full by June 30th.

All applications are to be submitted by June 30, 2026. Applications will be reviewed and seats will be granted based on the distance from Home to School, giving priority to those that live furthest from the school. Please note that this is NOT door-to-door service. Bus stops will be centrally located for all students and students will be assigned to the stop closest to their home. No changes or requests for additional stops will be accepted.

The cost for subscription busing is \$600.00/per student, however, no fee is required for students eligible for free/reduced meals based on their free/reduced meal application for the 2026-2027 school year. You will be notified via email by July 15, 2026 if your student has been assigned a seat.

Free/Reduced meal approvals are not automatically renewed each year so you must reapply each year for both the meal program and transportation. If you are approved for the free/reduced meal program you must let the transportation know. Without a new application submitted you will not be assigned a bus regardless of free/reduced meal approval.

Please look for an email with registration and payment instructions.
If you do not receive an email please contact the transportation office.
