CORWIN INTERNATIONAL MAGNET SCHOOL

May 2026

Dear 4th Grade Student & Family,
We are so excited to have you as a member of the CIMS family for the 2026-27 school year. Together, we will work diligently to learn, grow, and find success.

To be successful in your new grade level, you *should* spend time on these activities:

- ➔ Read *The Lemonade War* by Jacqueline Davies.
  - If you wish to purchase your own copy, you may do so.
  - Additional activities for the book can be found at: https://bookunitsteacher.com/wp/?p=2245
  - *There is a Corwin Cash Bonus in it for all students who pass a short quiz on the book.*

- ➔ Practice mixed multiplication facts attached. These can be copied multiple times for additional practice. Some additional online resources are:
