THE HARBOR NEWS

June 2026 Edition

Principal's Message

It's hard to believe we've arrived at June! As the school year winds down, it's the perfect time to reflect on the growth, joy, and learning that have filled our classrooms, hallways, and hearts. From the first-day jitters to end-of-year celebrations, your children have truly made this year unforgettable.

One of the most powerful traits we've seen shine this year is that of the Seaford Scholar: Networker. Our students have learned the importance of building positive relationships, collaborating with peers, and communicating with kindness and purpose. Whether it was working together on group projects, supporting a friend at recess, or reaching out to a new classmate, our students have shown that strong connections help everyone grow.

As we head into these final weeks, we celebrate all that our scholars have accomplished and look ahead with excitement. Thank you for your partnership, encouragement, and the many ways you've helped create a strong school community: one smile, kind word, and team effort at a time.

Let's finish the year strong, and maybe with a little extra sunscreen and a lot of smiles!

Go Vikings!

Mrs. Bisulca and Mrs. Savage

Kindergarten Graduation

On June 24 at 9:30 am, our youngest Vikings will be celebrating their end of the year success by performing songs for their families and loved ones! Please see additional information regarding siblings from your child's kindergarten teachers. We can accommodate two adult guests per students. You may dismiss your "graduate" at the end of the ceremony. Looking forward to a memorable moment!

Harbor Moving Up

On Tuesday, June 16 we will celebrate our fifth grade Vikings as they walk across the stage at Seaford High School to celebrate the culmination of their elementary education. Each student can have 4 guests attend to ensure a safe and comfortable celebration. We are proud of their hard work, growth, and accomplishments throughout their years at the Harbor. Let's honor them as they take this exciting step toward middle school and beyond!

Safety First at the Harbor

To ensure the safety of all students, please refrain from signing your child out early unless it is an emergency. We have a finely crafted dismissal plan to ensure that all students go home safely. When students are dismissed early during the day, it can disrupt classroom routines and cause confusion during end-of-day procedures. We appreciate your cooperation in helping us maintain a smooth and secure dismissal for everyone.
