Principal News

Dear Horizons Families,

As we wrap up another school year, I want to extend my sincere thanks to our students, families, and staff for making this year such a success. Your partnership, support, and dedication help make our school community a special place for children to learn and grow.

Our 5th Grade Celebration was a fantastic event. We are so proud of them and wish them continued success as they prepare for the next chapter of their educational journey.

The Fun Run, Field Day, and Family Picnic were all successes as well. It was great to see so many families enjoying times together and interacting with our students. These events truly highlight the strong sense of community that makes our school special.

A reminder that Summer School begins on Tuesday, June 9. We look forward to welcoming students who will be participating in our summer programs.

I hope you all have an amazing summer filled with fun, relaxation, and quality family time. Thank you again for a fantastic year!

Sincerely,

Mr. Ohlson, Principal

Noticias del director

Estimadas familias de Horizons:

Ahora que concluimos otro año escolar, quiero expresar mi más sincero agradecimiento a nuestros alumnos, familias y personal por haber hecho de este año todo un éxito. Su colaboración, apoyo y dedicación contribuyen a que nuestra comunidad escolar sea un lugar especial para que los niños aprendan y crezcan.

Nuestra celebración de 5.º grado fue un evento fantástico. Estamos muy orgullosos de ellos y les deseamos mucho éxito mientras se preparan para el próximo capítulo de su trayectoria educativa.

La carrera divertida, el día de actividades al aire libre y el picnic familiar también fueron un éxito. Fue maravilloso ver a tantas familias disfrutando juntas e interactuando con nuestros alumnos. Estos eventos realmente resaltan el fuerte sentido de comunidad que hace que nuestra escuela sea especial.

Les recordamos que la escuela de verano comienza el martes 9 de junio. Esperamos dar la bienvenida a los alumnos que participarán en nuestros programas de verano.

Espero que todos tengan un verano increíble lleno de diversión, relajación y tiempo de calidad en familia. ¡Gracias de nuevo por un año fantástico!

Atentamente,

Sr. Ohlson, Director

Dear Parent/Guardian,

School may be out, but school meals are still in! We'll be serving Breakfast & Lunch to anyone 18 years or younger in the community.

We want to make sure that everyone knows that Badger, Dunlap, Edison, Foster, Franklin, Highlands, Horizons, Huntley, Jefferson, Johnston, McKinley & Richmond Elementary School's, Kaleidoscope, Madison and Wilson Middle Schools, along with Appleton East & West High Schools summer meal program does not require registration or identification – all children need to do is come to the cafeteria to receive a happy and healthy meal. Some favorite items on the menu that we'll be featuring this summer include:

- ☐ Mini Corn Dogs
- ☐ Mixed Berry Parfait with Granola
- ☐ Cheeseburgers

From June 8th – July 3rd (Not serving meals on 6/19) students and families can visit 17 AASD schools to enjoy meals including:

The app is free and available from the App Store (iOS) or Google Play (Android), and you can search for your menus or find them on the web at <https://aasd.nutrislice.com/menu>.

We're committed to making sure that meals aren't something that any child or family should be concerned about this summer and can't wait to feed the kids in the Appleton community! This summer, we're able to serve any residents 18 years old and younger, and not just those who attend AASD. Please feel free to pass the information on to others.

Should you have any questions, please don't hesitate to reach out to us.

Thank you,

Help Shape Opportunities for Students with Disabilities

Join Our Parent Advisory Council

The Appleton Area School District Special Education Parent Advisory Council (PAC) is a group of parents, caregivers, and community members who support and advocate for students with disabilities who work together with district staff to strengthen opportunities for students across our schools.

The purpose of the council is to expand opportunities for students with disabilities, promote inclusion, and serve as a forum for families and supporters to share ideas and perspectives. The group also works to connect families with learning opportunities and resources that support students and their families.

We are currently welcoming new members who are interested in helping shape programs, events, and supports for students with disabilities in AASD. The council meets once per month for about one hour.

Through the work of this group, families and staff have collaborated to:

- Develop parent education sessions
- Host our annual Food Truck Rally
- Raise funds to bring the Arts for All League to AASD
- Begin efforts to expand communication boards and adaptive playground equipment at schools across the district

If you are interested in helping support and improve opportunities for students with disabilities in AASD, we would love to have you join us.

Please reach out to Amy Steiner, Executive Director of Special Education, at steineramy@aasd.k12.wi.us for more information.

Project ADAM
SAVES LIVES

Heart Safe School Designation Letter to School Community

Dear Community,

Horizons Elementary School is pleased to inform you that we have joined a community effort to implement a sustainable and comprehensive CPR and AED program. This decision is the result of our wish to make our buildings safe for our students, visitors and employees.

Sudden Cardiac Arrest (SCA) occurs when the heart suddenly and unexpectedly stops beating, cutting off blood flow to the brain and other vital organs. SCA is fatal if not treated immediately. Having access to an AED as well as having a written plan and a team of CPR/AED-trained staff ready to act in an emergency can save the life of someone suffering a SCA during those critical first few minutes. Through our cooperative efforts with **Project ADAM** and **Children's Hospital of Wisconsin**, we have joined hundreds of schools throughout the state of Wisconsin and beyond in preparing our school for a life-threatening emergency. This program enables us to offer any person who may experience a Sudden Cardiac Arrest during regular school hours, the best chance for survival.

Horizons currently has an AED in the building. The AED is stored in a wall cabinet. When the cabinet door is opened, a loud alarm will sound. This alerts everyone that there is a potential emergency. Our school has a maintenance plan in place for the units. The AEDs are designed to work effectively unless they are tampered with. Additionally, the AED will not shock a person unless it detects a shockable rhythm (ventricular fibrillation).

Staff has been trained to assist with an emergency during regular school hours. After school hours and during the summer, this is a Public Access Defibrillation (PAD) program. If you suspect someone is experiencing a Sudden Cardiac Arrest, please feel free to use the equipment at our school. Good Samaritan laws protect the layperson in a life-saving attempt, although we recommend becoming trained in CPR/AED use as an investment in your health and the health of others. Our local Emergency Medical Services and AASD Medical Director are aware of our procedures for the program.

"Project ADAM is a national, non-profit organization committed to saving lives through advocacy, education, preparedness and collaboration to prevent sudden cardiac death. Our affiliate programs improve the cardiac chain of survival in schools and communities in memory of Adam Lemel, a 17-year-old Whitefish Bay, WI, high school student who collapsed and died while playing basketball at school."

Many thanks for your participation in this important Heart Safe initiative in our school. To see our school on the Project ADAM map, visit www.projectadamwi.com.

Sincerely,

AASD District Nursing Staff
