

3rd Grade into 4th Grade

Summer Reading Assignment

1. Choose a book that interests you to read this summer (a suggested list is provided). You are required to read **at least one** book, but encouraged to read as many as you can!
2. Record the books that you've read on the attached reading log.
3. When you return in September, you will be asked to share information about one of the books that you've read.
4. Your ELA teacher will work with you to present a "**book talk**" for your class. Your teacher will provide you with a menu of presentation options, including both digital and nondigital formats. The preparation for these presentations will take place at school and **does not** need to be completed before you return to school.
5. Enjoy your summer and have fun reading! We can't wait to hear about all of the books that you've read!

Please choose a book from your reading log that you would like to share with your class. Present this form and your reading log to your 4th grade teacher on the first day of school in September.
