Acadience Math Progress Monitoring Data

Acadience Math assessment data is imported into LinkIt along with the system's progress monitoring data. After math department review, it was discovered that the progress monitoring data is being auto generated via the Acadience Learning system and is extremely redundant. We were able to work with LinkIt and the progress monitoring data has been removed. The assessment data is still being imported into LinkIt and that will not change as long as we use the Acadience Learning system.

LinkIt Focus Groups

Each building has focus groups for each grade level. These groups contain all students in the grade and are utilized by staff members who work with groups of students in the building. Staff have the ability to create focus groups which supports differentiation or tiering similar groups of students.

3rd Marking Period Grades

3rd Marking Period grades have been rolled into LinkIt! When a marking period ends and report cards go out, we push our end of MP grades over into LinkIt! They filter the entire listing of courses down to the core content areas. Grades are named by class and are filterable by content area and display for each student in the Student Hub.

Intervention Manager

Grades K-6 have been trained and are using the Intervention Manager tool within LinkIt. As the elementary buildings navigate through using Intervention Manager, there is a wealth of help resources related to the tool.

Navigate to HELP | HELP RESOURCES. Check the Intervention Manager box and APPLY the FILTERS.

Upcoming LinkIt Trainings:

- **5/7/25** – The remainder of school counselors, school psychologists, and speech teachers will be trained on the basics of Intervention Manager.
- **6/4/25** – IST, instructional coaches, and assistant principals will be trained on the data warehouse side of LinkIt!
- **10/25** - Plan ahead for next year's in-service to have your building trainers offer 1.5 hour sessions to repeat to staff throughout the day!

LinkIt DATA Updates:

The following data sets have been updated as per the district's assessment calendar:
