# Be prepared to turn in your device

## Wednesday, June 10th

- On Wednesday have your charged Chromebook, stylus, charger and case & Hotspot HERE.
- The charger you are looking for is a 65W Lenovo. Any charger not of that spec will not be counted as a returned charger. Knock-off's will not be accepted as they were all verified, and no one was assigned anything other than the Lenovo.
- By Tuesday all stickers, you have put on the device, should be off all wrappers and everything you are storing in the case should be removed. *Please don't use any cleaners on the devices at home.*
- If you won't be here for the collection process, please turn in your device before you go.
- Remember to bring your charged device everyday until they are collected.
- If you have any other Everett Public School device, Hotspot, charger that wasn't previously returned, we will take those as well.
