

Did You Know?

JUNE 5, 2026

On April 15, 2026, the Red Clay Consolidated Board of Education approved a resolution to postpone implementation of the Reimagining Secondary Education plan, including the proposed McKean Innovation Center (MIC). The resolution directs the administration to complete additional planning, communication, engagement, and reporting activities before the Board considers voting to establish a new implementation timeline.

The resolution outlines several requirements, including:

As we begin the next school year, the district will continue to provide updates and opportunities for community engagement. Current school configurations and programming will remain in place while the conditions outlined in the Board resolution are addressed.
