- Parents may choose to keep their student home (we will excuse the absence). If parents choose to send their child to school they will follow an alternate schedule.

What do I do if my child has medication they need to take at camp?

- All medication will be dropped off during luggage drop off on Sunday September 27th. All medications sent with campers need to be documented on student health form. (Name of med, time given, dosage given, number of pills sent) Please only send the amount of medication needed for the time at camp.

What do I do if my child has a food allergy?

- If your child has a food allergy your **MUST** email Camp Nuhop Specialdiets@nuhop.org. This information needs to be received **2 weeks prior to camp**.

What should my student pack for camp?

- SEE THE PACKING LIST! Belongings should be packed loosely into **soft-sided duffel bags or mesh/fabric laundry bags**. Do not pack in suitcases or trash bags; they can be damaged in the heating process. (trash bags can be used as cover for the mesh bags, but they will be removed before heating). Items that should not be heated, such as **medications, sunscreen, bugspray, shampoo, aerosols and other toiletries, should be packed separately** in ziplock bags, plastic shopping bags, a cinch bag, or small backpack. Students will not have access to their heated luggage until dinnertime on the first night, so anything they need to access needs to be kept separate. Everything **should be labeled** with the student's name on tape, ribbon or luggage tags. Please ensure that no liquids/gels/aerosols are packed with sleeping gear or clothing.

What does my child bring on the day of camp?

- Students need to bring their own packed lunch/water bottle in a cinch bag.

What if I pay the deposit and my student is unable to attend camp?

- A refund can be issued up to 2 weeks prior to camp. Refunds within 2 weeks of camp will not be refunded unless it is a medical or family emergency. If you need a refund please email Joanna Oestringen at OestringenJ@wlake.org.
