

EAGLE NEWS

Good afternoon Eagle Families -

We are officially heading into the final week of the school year, and I want to say how proud I am of our Eagles for staying Anchored in Excellence all year long. As we finish out these last few days together, let's continue to work hard, support one another, and finish strong the same way we started.

We have an exciting final week ahead. On Monday, our 3rd graders will head to Saltar's Point for their transition visit as they prepare for next year. Thursday evening at 5:00 PM, we will come together for our End of Year Celebration, which is always a special opportunity to celebrate our students, families, and school community. Then on Friday, we officially close out the school year with our Last Day festivities, including Field Day fun and activities with the Anderson Island Fire Department. It should be an awesome way to wrap up a great year together.

Thank you for all the support you have given our school this year. Have a wonderful weekend, get outside and enjoy the beautiful weather, get some rest, and let's have a great final week together. See you all next week.

Classroom News

Mrs. Cunningham

Just one more week....

The 2025-26 school year has been an amazing one! Everyone's made incredible academic growth, and it's hard to believe that it's almost over. This week, we wrapped up all diagnostic testing, and I could not be more impressed! We also had a fun lesson from Island Arts that involved clay, ran a mile on the new track for PE, helped organize the library, practiced for the end-of-year music program, and ended the week with another art lesson.

Next week will be filled with end-of-year program practice and performance, summer library shopping, classroom cleaning, and Field Day. Please let me (or the office) know if your student will be absent next week.

Upcoming events/dates:

Monday, June 8 - Saltar's Point trip (3rd grade only)- meet @8:30am at the ferry dock

Wednesday, June 10 - Summer Library shopping

Wednesday, June 10 - Show & Tell

Thursday, June 11 - End of the Year Program @ 5 pm

Friday, June 12 - Last day of school (11:30 dismissal)

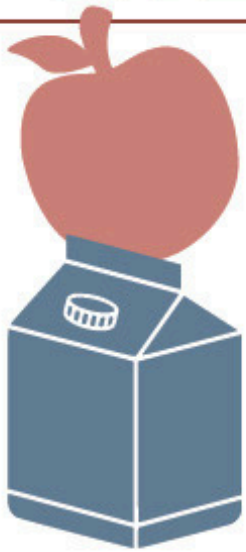

Look what we made!
