ADDENDUM #2

Pasco School District
2026 Portables
Pasco, WA
June 4, 2026

BID DATE TO REMAIN TUESDAY, JUNE 9TH, 2026 AT 3:00:00 PM AT SAME LOCATION

Bid Documents and Specifications

Engineer's Estimate:
Bid Package #1 - $300,000
Bid Package #2 - $120,000

Plans Added:

C103 – Chiawana High School Portables Demolition and Site plan
Revised Key Notes #3 and #8 to include an underground vault for power connections.

Questions Received:

- I just want to verify that the school district will handle all the low voltage work, correct? The electrical contractor will only cut the conduits below grade and install a Sioux Chief 850-4T, correct?
  The Pasco School District will be responsible for disconnecting the low voltage cables from the portables and installing the new cables at Reynolds School. The contractor is responsible for installing the covers over the existing low voltage conduits at Chiawana and installing the new conduit and covers at Reynolds School.
