

Marple Newtown Elementary Summer Reading

Purpose: The purpose of summer reading is to promote student choice. In an effort to support our students' development of critical reading, thinking, and writing skills, students must be given the opportunity to take ownership of their reading choices. The suggested titles below provide choice, as well as opportunities to interact with texts that will assist in developing their understanding, perspective, and appreciation for the people, places, and ideas that comprise their world.

Entering Kindergarten
