Dear Elma Primary School Community,

It is hard to believe we are already moving into our second week of June!

Our Student Council met this week and made exciting plans for an upcoming fundraiser. Students will be selling squishies, fidget spinners, mystery toys, scented pencils, and stress cubes in the cafeteria next week, while supplies last. All proceeds will benefit the SPCA, which was chosen by the Student Council. This has been a wonderful leadership experience for our students, as they selected the charity, decided on the items to sell, created posters to advertise, and will be managing sales during each grade level's lunch period.

With the beautiful weather this week, we were able to complete our final fire drill of the school year. We have now met all New York State requirements for both fire drills and lockdown drills. We are proud of our students for continuing to follow safety procedures so well.

Looking ahead to next week, we have several exciting events planned. Our Kindergarten End-of-Year Performance will take place on Tuesday, June 9th at 1:15 PM, with doors opening at 1:00 PM.

In addition, our PTO and parent volunteers will continue a long-standing Elma Primary tradition on Monday, June 8th, by painting our 3rd graders' hands so they can leave their handprints on the walls of our school. This is such a special way to celebrate their time at Elma Primary.
