

Shawano School District Relocates Administrative Offices to Olga Brener Intermediate School

Shawano, WI — November 14, 2025

The Shawano School District is pleased to announce the completion of another phase of its 2024 referendum facilities projects: the relocation of district administrative offices to the northside of Olga Brener Intermediate School, located at 1310 South Union Street, Shawano.

Effective **December 01, 2025**, Board of Education meetings will be held at the new location.

The move necessitates that the district administrative offices be closed to the public from November 24 - 28, 2025, and reopen to the public in the new location, 1310 S. Union Street, on Monday, December 1, 2025.

The move is part of the district's ongoing effort to use existing space more efficiently and maximize learning areas for students. Before the relocation, several maintenance and upgrade projects were completed at Olga Brener Intermediate School including LED lighting upgrades; new ceiling tiles, flooring, and doors; restroom upgrades; replacement of the water heater and fire alarm panel; boiler and air handler replacements; security enhancements; new aluminum entrances; curb, sidewalk, and asphalt repairs; new signage; and accessibility improvements to indoor spaces.

To celebrate the move, the district will host a Ribbon Cutting Ceremony and Community Open House on Friday, January 16, 2025. The Ribbon Cutting will take place at 2 p.m., followed by an Open House until 4 p.m. More information will be posted to the district website closer to the event.

"We're excited to welcome everyone to see the new space and learn more about how it supports our mission to provide high-quality education for all students," said Kurt Krizan, Superintendent of the Shawano School District.

The event coincides with a district in-service day, providing an ideal time for staff, families, and community members to visit without interrupting the regular school schedule. Attendees will be able to tour the new offices and meet district leaders.
