A MESSAGE FROM _____

Dear Students and Families,

As the school year comes to an end, we want to wish all of our students and families a fun, safe, and relaxing summer break! Thank you for your hard work, support, and dedication throughout the year.

We hope you take this time to rest, enjoy time with family and friends, and create wonderful memories. Keep reading, stay active, and continue learning new things over the summer.

We look forward to welcoming everyone back for another great school year!
Have a wonderful summer!

Sincerely,

Troy Hayes and Blake White
