

12.10.2024
PAC meeting

Attendance: Mike Frovarp, Tavia Wingerten, Shaun Oban, Colin Knapp, Larissa Schwab

Mike Frovarp called the meeting to order at 12pm.

There were online accessibility issues in the conference room. Therefore, the meeting link did not work for anyone trying to attend online. The November Meeting Minutes were not reviewable either. They will need to be reviewed and approved as part of the January meeting.

Colin Knapp provided the Treasurer's report. An additional cash count for the raffle was completed since the last meeting. Major expenses for the month included paying out all the raffle prizes (\$4,000), buying student prizes (\$650), refunding conference meal expenses (\$120), and purchasing bins for FACS via Husky Hope (\$244). The report was accepted and approved unanimously.

Dr. Oban provided the administration report. He introduced Tavia as the new school secretary. MAPS testing is ongoing and the various teams are planning holiday activities. Interviews are ongoing to try to fill several staff positions early in the new year.

One Husky Hope project was presented. There is a need for a more durable compression canoe. The PAC unanimously approved up to \$1,000 for its purchase.

Meeting adjourned 12:45PM
