It is the policy of the school district to recognize the rights of nonpublic school students and to provide equal transportation to those students as required by law.

III. ELIGIBILITY

A. If the school district transports students to a nonpublic school located in another school district, the nonpublic school must ~~shall~~ pay the cost of such transportation provided outside the school district boundaries. (Minn. Stat. § 123B.86, Subd. 2(b))

D. The school district shall provide the necessary transportation within school district boundaries between the nonpublic school and a public school or neutral site for nonpublic school students who are provided pupil support services, if the school district

E. When transportation is provided, the scheduling of routes, manner and method of transportation, control and discipline of students and any other matter relating thereto shall be within the sole discretion, control and management of the school district. (Minn. Stat. § 123B.86, Subd. 3) A nonpublic or charter school student transported by the school district shall comply with school district student bus conduct and student bus discipline policies.
