

**Oregon State Seal of Biliteracy
2026 Recipients**

Congratulations are in order for **244 Hillsboro School District seniors** who have earned the **Oregon State Seal of Biliteracy or the Oregon State Seal of Multiliteracy** . These students have demonstrated academic proficiency in speaking, listening, reading, and writing in both English and an additional language.

In a remarkable milestone this year, we also celebrate **three seniors** who have obtained the **Oregon State Seal of Multiliteracy*** by demonstrating high-level proficiency in English plus two additional languages. Students will receive a certificate from ODE , gold seal placed on their high school diploma and a notation on their transcript. This year HSD’s Multilingual Programs is additionally honoring students by bestowing upon them an OSSB/M medal. This distinction serves as a powerful credential for colleges and future employers, providing formal recognition that these graduates are both **bilingual and biliterate**.

This accomplishment will ensure that future colleges and/or employers know that they are bilingual and biliterate. We applaud their accomplishments! **Well done, Class of 2026!**
