## CHECK IN/OUT PILOT PROGRAM

We are piloting a new check in/check out program in the Elementary School for the next few weeks. The program continues to assist us in our commitment to the safety and security of our students. We appreciate those who have been patient with us as we launched the trial run these past few weeks. **Please make sure you have your driver's license with you every time you come into the Elementary School.** You will need it to check in as a visitor and volunteer (even if you have been here before). If you are checking out a student you will need it EVERY single time. When you have other people checking your student out, other than parents/guardians, the office must be notified first and they also need their driver's license. Since we are still learning about this system, it is best practice to bring in your license every time, for any reason, so you don't have to walk back to your car to get it! Remember, you must be badged in, even to walk your kid down the hallway to class. Again, thank you for your continued patience and understanding as we all work together to keep our students safe!

## LIBRARY BOOKS!

Any books that were not returned by 3:00pm today, Friday, June 5th, have been marked lost. The student will be charged for the cost of the book. Please contact Susan Chadduck with any questions [schadduck@freemansd.org](mailto:schadduck@freemansd.org).

## 5TH GRADE FUN!

The fifth graders had a fun-filled and action-packed day at Camp Lutherhaven June 1. They were able to enjoy some canoeing on Lake Coeur d'Alene, work on their team skills, experience the sport of archery, try their hand at geocaching for treasures, and experiencing an early homestead from the 1900's. The day was a fantastic way for the students to culminate their journey at Freeman Elementary! A special thank you to all of the parents who volunteered to chaperone for the day. Also, a BIG THANK YOU to our very supportive PTSG for helping sponsor our students to make the memory making day a reality for the students!

Deputy Felvarg enlightened the fifth grade students this week regarding screen safety, middle school expectations, personal responsibility, and overall safety for the summer. Deputy Felvarg did a fantastic job of presenting the life information while answering well thought out questions from the students. Thank you Deputy Felvarg!

### The Importance of Self-Care

Even kids need to take care of themselves! Teach your child that taking a break when they feel overwhelmed, getting enough sleep, and eating healthy food are all ways to be kind to themselves. This builds a foundation for lifelong health.

**Try This:** Create a "self-care" list together. It can include things like reading a book, taking a warm bath, or playing outside.

If you've ever sent a text code for a TV show to a number like 66999, you have used short code texting.  
\*Terms and Conditions: Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See [schoolmessenger.com/info](http://schoolmessenger.com/info) for more info.
