END OF YEAR REMINDERS

Unpaid fines follow the student from school to school until graduation, so it is important that they be paid. In addition, students cannot check out library books until all books are returned and outstanding library fines paid. If your child takes medication at school, please arrange with Mrs. Baughman, the school nurse, to pick it up at the end of the school year. Please call 678-8904 to reach her.

First day of classes for 2026-2027 school year
August 24th for 1st and 2nd grade
August 27th for TK and Kindergarten
