St. Anne Catholic School
2026 Summer Reading Time Record

Record the number of minutes you read by coloring in the squares below each time you read.

Reading refers to reading quietly to yourself, reading aloud to another person, listening to a book read to you, or attending one of the programs offered by the public library. *Reading materials* can include print books, ebooks, magazines, graphic novels, and audio books. You may choose to read items from the summer reading suggested list or something else that interests you.

The summer reading expectation is for rising K3-K5 students to read a minimum of 15 hours, rising 1st-4th grade to read a minimum of 20 hours, and for rising 5th-7th grade students to read a minimum of 30 hours.

Please bring this record with you on the first day of school as evidence of your reading. Have a happy, reading-filled summer!
