

SAINT MARY'S
COLLEGE HIGH SCHOOL

FRESHMAN SUMMER PROGRAM

JUNE 15 – JULY 2

Open to all incoming Saint Mary's students from the Class of 2030

MORNING SESSION: SUMMER SCHOLARS

9:00 AM – 12:00 PM

\$600 for 3 weeks

This summer program offers incoming freshmen more than just academic enrichment — it provides essential tools for success. Over three weeks, students will strengthen their skills in math, English, and science, while also learning organization, stress management, and other key strategies to thrive in high school.

Through sessions on notetaking, time management, and using technology effectively, students will build study skills tailored to their learning styles. Hands-on activities and personal guidance will help them approach high school with confidence and enthusiasm. Along the way, they'll form connections with teachers, counselors, and peers and get to know the campus, setting the stage for a smooth and successful start at Saint Mary's this fall.

- iPads or Macbooks are required for this program. Please refer to the Saint Mary's website at saintmaryschs.org under "iPads and other Networked Devices" in the "Academics" section for details.
- Students will need to bring a paper copy of their summer reading book, *Prisoners of Geography: 10 Maps that Explain Everything About the World* by Tim Marshall.
- Students need to bring their water bottle (labeled please!) each day; snacks and supplies will be provided.

AFTERNOON SESSION: TEAM-BUILDING

12:30 PM – 3:30 PM

\$300 per week

Take advantage of this exciting afternoon opportunity to connect with your new classmates and start building lasting friendships. This program fosters collaboration and fun through sports, creative arts, and team-building activities that encourage teamwork and leadership.

You'll also explore the community with unique field trips, such as solving puzzles at escape rooms, exploring the Lawrence Hall of Science or the California Academy of Sciences, and enjoying local culinary tasting tours. Meaningful community service projects will further deepen your sense of connection and purpose.

With group games, hands-on projects, and shared adventures, this program helps you ease into the school year with new friends, memorable experiences, and a stronger sense of belonging.

REGISTRATION ENDS:

May 31, 2026

SAINT MARY'S
SUMMER ENRICHMENT

AFTERNOON PROGRAMS

JUNE 15 – JULY 2

Open to all rising 6th, 7th, & 8th grade students AND incoming Saint Mary's students from the Class of 2030

TEAM-BUILDING

12:30 PM – 3:30 PM
\$300 per week

Offered June 15-18, June 22-26, & June 29-July 2

Take advantage of this exciting afternoon opportunity to connect with your new classmates and start building lasting friendships. This program fosters collaboration and fun through sports, creative arts, and team-building activities that encourage teamwork and leadership.

Students will also explore the community with unique off-campus field trips each day, such as solving puzzles at escape rooms, exploring the Lawrence Hall of Science or the California Academy of Sciences, and enjoying local culinary tasting tours, and meaningful community service projects.

VOLLEYBALL

12:30 PM – 3:30 PM
\$300 per week

Offered June 15-18 & June 22-26

Elevate your volleyball skills this summer with a dynamic camp designed for players of all levels. Participants will refine their serving, passing, setting, and hitting through targeted drills, scrimmages, and team-building activities. This camp will focus on improving technique, fostering teamwork, and building confidence both on and off the court!

BASKETBALL

12:30 PM – 3:30 PM
\$300 per week

Offered June 29-July 2

Join us for an exciting basketball camp designed for players of all skill levels to grow and thrive. Participants will focus on improving their shooting, dribbling, defense, and teamwork through a mix of drills, scrimmages, and skill-building sessions. This camp will not only sharpen athletic ability but also building confidence, discipline, and sportsmanship.

FITNESS

12:30 PM – 3:30 PM
\$300 per week

Offered June 15-18, June 22-26, & June 29-July 2

Build strength, boost endurance, and enhance your overall fitness at our strength and conditioning camp. Designed for all fitness levels, this camp focuses on improving agility, flexibility, and core strength through a variety of workouts, including weight training, cardio exercises, and functional movement drills.
