MINDFLIGHT7
SEE YOUR FUTURES

INTERNATIONAL EDUCATION AGENCY OF PAPUA NEW GUINEA
50 YEARS 1976 - 2026

Mindflight7 is Australia's largest VR education provider, specialising in immersive, curriculum aligned virtual reality learning experiences for schools, TAFEs, universities, and organisations across Australia and the Asia Pacific region.

Through fully facilitated VR incursions, XR Labs, workplace training, and custom immersive learning solutions, Mindflight7 empowers students and educators through engaging, hands-on experiences that increase student engagement, career awareness, and knowledge retention.

With experience across more than 1,500 institutions and over 180,000 learners empowered, Mindflight7 combines technology, education expertise, and on the ground support to help schools confidently integrate immersive learning into classrooms and future focused programs.

MINDFLIGHT7
SEE YOUR FUTURES

INTERNATIONAL EDUCATION AGENCY OF PAPUA NEW GUINEA
50 YEARS 1976 - 2026

Mindflight7 operates across Australia, New Zealand, Singapore, Fiji, and Papua New Guinea, delivering innovative VR education experiences designed to inspire learners of all backgrounds and abilities. The organisation also provides access to more than 200 educational VR applications designed to support curriculum aligned learning outcomes.

MindFlight7 will be attending the IEA-WAC-26 to provide demonstration and hands-on experiences for participants.
