Good evening Bulldog families,

As we approach the end of the year, this week Tuesday, June 9th and Wednesday, June 10th, 2026, we will be having our early Regents Examinations. Here are a few important items to remember for these two exam days:

- **Tuesday, June 9th** (Regents Examination Day): In the morning, only students that are taking the 11th grade English Language Arts Regents exam, and 8th grade iReady Math should attend. In the afternoon students taking the 21st Century test should attend. Eighth graders, only bring your charged chromebook, and something to read for this exam.
- **Wednesday, June 10th** (Regular School Day) All students should be in attendance. If you are taking the Algebra 2 Regents exam, please report to your testing room at the warning bell (8:11am), to ensure we start on time at 8:15am. You will begin your examination immediately following the morning announcements.

Next week, Monday, June 15th and Tuesday, June 16th are Regular School Days. Beginning Wednesday, June 17th, we will begin our Regents Examination testing. Students should report to the school only if they have an examination scheduled that day. From June 17th through June 25, please remember the following:

- Students should only come if they have a scheduled examination.
- Students should only bring materials necessary to complete the examinations (e.g., blue or black pens, sharpened pencils, highlighters). We recommend not bringing backpacks during these weeks.
- Eighth Graders that have a testing conflict (Algebra/Social Studies 8, or Biology/Math 8) will be taking your Regents exam first in the morning. Then you will begin your 8th grade exam in the afternoon.

Good luck to all of our students completing examinations both in classes this week, and during these examination days. More information about the testing schedule, and bussing information will be found on our Kenmore East Webpage.

Let's have a great rest of the year Bulldogs!
