 **Happy 250th Birthday, America!**

Yesterday, Weatherbee celebrated Americas 250th birthday, one month early by wearing Red, White and Blue!

## Special STEAM Class

Ever wonder what 100% active engagement looks like? Pictured below is exactly that – our students independently sampled and explored options from the “Carchedi Cafe.” Thank you Ms. Carchedi for creating such an amazing last STEAM class for our fifth graders.

---

## 5th Grade Play

One Wednesday, the fifth grade performed their plays for all their parents and friends. Congratulations on all their hard work.

---

## Thank You Mrs. Ross

After the fifth grade performed their plays; one of their students presented a memory book to Mrs. Ross. This memory book was filled with heartfelt moments from this past year. This was given as a final thank you from the whole fifth grade before Mrs. Ross retires.

## **A Letter From Your Librarian** 📖

Please Return Your Library Books!

We currently have 207 books that remain checked out! Lets see if we can get that number down to zero by the last day!

If you are wondering whether your child has books out, please email Mrs Mills at [tmills@rsu22.us](mailto:tmills@rsu22.us)

## Bikes for Books

Read! Read! Read!

Our school is participating in a reading incentive program sponsored by the Masons. Children are asked to keep track of how many minutes they read. Once they have read 20 minutes they will receive a ticket to enter into a drawing for a new bike! Keep the attached calendar at home and after each week return the calendar to school to receive tickets. The more minutes your child reads, the more tickets they have entered into the drawing! The Masonic Lodge collected donations to purchase the bikes. The Grand Lodge of Maine Youth Committee sponsors the program. Two students from each grade level will win a bike. The program will begin on May 5 and run through May 30. The bikes will be drawn at our June All School Share. Happy reading!!!

## Nurse's Corner

### End-of-Year Medication Pick-Up Reminder

Before summer break begins, please remember to stop by the health office and pick up any medications you have provided for your child during the school year.

All medications remaining in the health office after the last day of school—including inhalers, EpiPens, over-the-counter medications, and prescription medications—will be disposed of and cannot be stored over the summer.

Students who will require medication at school next year will need to complete new medication forms and have new medication supplies provided at the beginning of the school year.

Thank you for your attention to this important end-of-year task.

## Chess Club

The last chess club is upcoming Tuesday (6/9). Attendance of this session is optional.

The club members had 2 in-house chess tournaments and played very well. Many students started to treat their opponents respectfully regardless of the game outcomes (which is not easy to do for serious, competitive, young chess players). If your club members would like to play last few games of chess before summer, please send them to this last chess club. Thank you for your support throughout the school year.
