

Parent Bulletin Friday 22nd May 2026

Dear Parents and Carers

We have had a really busy week at Slough and Eton. King House students walked the field to fundraise on Monday, Year 12 students represented the school at a Model United Nations event at St Joseph's School on Tuesday, a group of Year 9s went to the Imperial War Museum on Wednesday and today we have Year 10s on a 2 day Duke of Edinburgh Expedition at some Year 8s visiting Fulham football group.

In addition to all this a group of Year 10 Geography students took part in a climate change challenge competition on Tuesday after getting through to the final.....and won! With all this and exams continuing we certainly feel like the half-term holiday is well timed.

Site Improvements

We have some work starting around the school over half term where we are having some bike sheds removed and picnic benches relocated ready for a new toilet block to be installed over the summer. This will be 15 entirely separate cubicles for students to use and a major improvement on our current arrangements. I am sure students will keep you updated as work progresses.

Online Safety

This week's online safety guidance is about what parents need to know about Supporting Safe AI. You can access the details online [here](#).

Mobile Phones

We are continuing our discussions with students about mobile phones to remind them that they will not be allowed to be used in school at all from September. I am grateful to parents for the things they are doing at home to reinforce this.

School restarts for everyone on Monday 1st June at the usual time and I look forward to seeing everyone then.

Have a great half term holiday and enjoy the sunshine!

Yours sincerely
Peter Collins
Headteacher

I have come in order that you might have life – life in all its fullness (John 10:10)
