

Dear future AP French and French 4 Honors students

I am looking forward to being your French teacher next year. The past few years may have been challenging or draining for some of you. Please take a little time to unwind and relax before digging into your summer assignments. (June assignment will be open on June 15 at 8 AM. The assignments for July and August will be open on the first of the month and will be closed on the last day of the month.)

The goal of your summer assignments is to keep using French, so you are not too rusty at the beginning of the school year.

You will be using **Duolingo** to complete your assignments.

Duolingo is a free app you can download on your phone (iPhone or Android), iPad, or computer.

Some of you may already be using the Duolingo app and enjoying it. For those of you new to Duolingo, the app will help you with vocabulary, grammar, listening, reading, writing, and speaking.
