Notes

Revenues

Property Taxes Line 1.01 & 1.02- Property Taxes are \$1,852,1332 - 13.3% over budget. The budget was created in May 2025 before HB186 Property Tax Reform and the 30.4% increase in Assessed Value. Two issues will come to light in August 2026 Tax Settlement, 1) HB186 will adjust to reflect lower actual taxes and 2) fewer taxpayers would have paid the entire year so August will be a little higher than normal. At the current time these numbers support the major drop in the tax in FY2027. The issue alone has our fund balance over budget year to date.

Income Tax Line 1.03 is 1.29% (\$80,935) under budget for the fiscal year. We have budgeted a 3.1% increase for the fiscal year.

State Foundation is currently \$524,714 (4.3%) under budget. We have started to use the FY25-26 enrollment numbers, we have dropped 153 students. Three negatives on the foundation are the Student Wellness and Success dropped because the number of Economically Disadvantage has dropped 102 students (\$56,703) and the Gifted Funding is down (\$22,162) and Pre-School special education is down (\$49,727).

Property Tax Allocation – Rollback and Homestead are 19.5% (\$327,776) over the budgeted amount. Again, the HB186 will impact this budget next fiscal year.

Miscellaneous Revenues Line 1.06 year to date reflect \$380,389 (16.8%) under budget, tuition payments are below budget, the Excess Cost payment came in on budget and the Pre School Special Education is reflected in tuition. Threshold Costs will be reported in the next couple of weeks and should be higher than FY25. Fees are \$51,714 under budget fiscal year to date. Interest Income is running slightly \$27,264 under budget, this revenue has flipped from March. Projecting Interest income for the remainder of FY25-26 \$1,050,000, dropped from \$1.3 million.

Total Revenues are \$1,204,044 (339%) over budget but we need to consider all of this is the excess increase in the property tax year to date and HB186.

Expenditures

Wages and Benefits are currently (.1%) \$32,851 over budget, this will grow to close out FY26.

Purchased Services (12.2%) \$456,001 is significantly over budget. Utilities \$130,741 higher (Electric, Natural Gas, and Water/Sewer) and Instructional Services (Psych) would be most of the higher amounts than FY2025.

Supplies changed to 20.1% (\$287,905) under budget, we will be faced with the FY26-27 chrome books and curriculum purchases in the late Spring.

Total Expenditures are \$231,498 (.6%) over budget. We have tightened the expenditures to close out FY26.

We are still working on balancing the FY26-27 budget, we have one more department budget to work on the Purchase Services and Supplies budgets. Staffing savings built into next year budget is currently \$1,415,000. We will need to hold the line aides as we progress though FY27. The Purchased Services and Supplies budget from the departments and building should push past the \$1.5 million in expenditure cuts.

Monthly Investment Report Disclosures:

This report is provided by RedTree Investment Group, a Registered Investment Adviser with the SEC, solely for informational purposes and is intended for use by the account holder(s) listed.

The valuations and performance shown in this report may differ from those provided by the custodian due to differences in pricing sources, the timing of data reconciliation, and the treatment of accruals or cash flows. We encourage you to compare this report with your custodial statement.

Advisory fees are charged based on the terms outlined in your Investment Advisory Agreement. Fees may be calculated as a percentage of assets under management and may be deducted directly from your account(s) at the custodian. Please refer to your agreement and your custodial statements for fee details.

This report may include hypothetical assumptions or forward-looking illustrations regarding the income, yield, or future value of fixed income securities currently held in your portfolio. These projections are for illustrative purposes only and should not be interpreted as guarantees or predictions of actual results.

Fixed income securities, including corporate, municipal, and other debt instruments, are subject to the risk that the issuer may default on interest or principal payments. In such cases, the bondholder may lose some or all of their invested principal. Hypothetical models typically assume full and timely payment of all interest and principal, which may not reflect actual outcomes in the event of issuer distress or default.

If you have questions about this report or your financial situation has changed, please call 888.596.2293 or email info@redtreeinv.com.
