

Hi! Welcome to AP Statistics!

We are going to have a busy and fun year! To make sure you are ready, please work on the Khan Academy “Getting Ready for AP Statistics” course.

To do that, use this link to get into my class: <https://www.khanacademy.org/join/S48K68WE>

When you click the link, you’ll be asked to create an account (unless you already have a Khan Academy account).

Once you create your account, you’ll be taken to the course and can start right away. Each unit (there are 5) has videos and practice problems in addition to quizzes and tests.

Due on the first day of school (August 19).

Please let me know if you have any questions.

Mrs. Kaplan
