Back2School

Need Help with School Supplies?

All needing help with school supplies are welcome to participate in the Back2School (B2S) Program. The application will be online at www.cclse.org after April 15, 2026. If you need assistance with filling out the application, please call Catholic Charities at 608-782-0710, M-TH between 9 am and 4 pm and we will assist you.

There will be three Back2School events where families can pick up supplies. Please choose your pick up location when you fill out your application.

Back2School Pick Up Locations, Dates, & Times

Erickson BGC - **July 28th**: 5:30 pm-7 pm -1331 Clinton Street, La Crosse

La Crosse Center - **August 4th**: 9 am-12 pm and 1 pm-5 pm -Arena Floor

Mathy BGC -**August 11**: 5:30 pm-7 pm -8118th Street South, La Crosse

- Free haircuts will be available to children at no charge
- Health Screenings available at each of the B2S events for all school age children
- Immunizations for all school aged children without insurance or with BadgerCare will be available at no additional charge
- Dental screening, teeth cleaning, fluoride, and varnish will be offered at no charge
- Information and sign-up/scheduling for lead testing and other free services offered through La Crosse County
- Vision checks will be available
- Hearing checks will be available
- Well Child Exams
- Sports Physicals
- Depression screenings
- Obesity Screenings
- Diabetes Screenings

Please understand our Back2School supply program is a supplemental program. We will do our best to make sure basic requests are met.

If your family does not need help with school supplies, but would like to assist fellow students that do, please join us by donating backpacks, school supplies or school clothing.

Learn how you can join the efforts by calling one of the collaborators listed below or by visiting www.cclse.org. Thanks!

IMMUNITZATIONS

Vaccines are our best protection against serious, sometimes deadly, diseases. To protect our children, Wisconsin law requires all students do one of the following:

- Show proof they got required vaccines.
- Provide a waiver signed by a parent or guardian.

All schools, childcare centers, and other public health agencies must follow vaccine laws. We work together with these groups to protect the health of our children.

The following updates to School Immunization Requirements took effect for the 2024-2025 school year and subsequent years. Wisconsin state statute continues to permit waivers to vaccinations for reasons of health, religious, or personal conviction. **However, they may be subject to exclusion from school in the event of an outbreak of diseases against which they are not completely immunized.**

- Students are required to receive one dose of a Meningococcal ACWY-containing vaccine (MenACWY) vaccine before the start of 7th grade. A booster dose is required for eligible students entering 12th grade. Students receiving their first dose of MenACWY after age 16 do not need a booster dose.
- Students must have a diagnosis of chickenpox from a qualified health care provider (MD, DO, NP, or PA) to be exempt from this requirement. Parent report of chickenpox disease is no longer acceptable for exemption from the varicella (chickenpox) vaccine requirement but current Wisconsin students (excluding new enterers and kindergarteners) with a parental report of varicella prior to May 2024 are not required to receive Varicella vaccine.

Quick Guide

Previous requirements	School requirements starting in the 2024-2025 school year
For entry to kindergarten through seventh grades students need: • 4 doses of polio vaccine • 3 doses of hepatitis B • 4 doses of DTaP/DTP/DT/TD • 2 doses of varicella (chicken pox) • 2 doses of MMR • 1 dose of Tdap at seventh grade	For entry to kindergarten through seventh grades students need: • 4 doses of polio vaccine • 3 doses of hepatitis B • 4 doses of DTaP/DTP/DT/TD • 2 doses of varicella (chickenpox)* • 2 doses of MMR • 1 Tdap at seventh grade • 1 MenACWY-containing vaccine at seventh grade For entry to 12th grade • 2 MenACWY-containing vaccines[†]

Note: Children must be up to date on all vaccines listed for previous grades. For example, if a seventh grader is missing a dose of hepatitis B, they'll need a catch-up dose of hepatitis B prior to seventh grade matriculation.

*Exceptions to the varicella vaccine requirement will be allowed in both child care centers and schools only if the child has had a case diagnosed by a qualified health care provider.

www.reallygreatsite.com

+123-456-7890

hello@reallygreatsite.com

[†]A second dose is not required for students who received their first dose of MenACWY-containing vaccine at age 16 years or older.

ATTENDANCE MATTERS

As we wrap up another school year and head into summer, we would like to share some friendly reminders about attendance.

The main school year attendance line is not monitored over the summer. To report a summer school absence, please call 608-789-3206, or email bhoff@lacrossesd.org, to reach the summer school assistant, Ms. Beth Hoff.

The new school year starts on Thursday, August 20, 2026.

Please provide a doctor's school excuse note for appointments and illnesses to prevent those absences from being counted towards attendance. Per [Wisconsin State Statute 118.15\(3\)\(c\)](#), a child may not be excused for more than 10 days in a school year. Per School District of La Crosse Board of Education [Administrative Policy 4310: Compulsory School Attendance – Regulations](#), A parent may excuse a student for not more than 10 days in a school year.

To excuse your student's attendance for appointments, early release, illnesses, lateness, vacation, etc., please leave a message on the Logan High School attendance line at [608-789-7700](tel:608-789-7700). You may also email the attendance manager, Ms. Jen Knutson, at jeknutso@lacrossesd.org or call her direct line at [608-789-3207](tel:608-789-3207). Your message will be received promptly, Skyward will be updated, and a dismissal pass will be created for your student to pick up in the attendance office, if needed.

Families are asked to contact the Attendance Office before 9:00 AM on the day their student is absent or needs to leave for an appointment to avoid disrupting other students' education during class time. If a call is not received, the absence will be considered unexcused. Students returning to school after having missed a portion of the day should report to the Attendance Office when they have returned to school to receive a pass to class. If a student becomes ill or injured while at school, they must report to the Health Room and be seen by the health assistant or nurse before leaving school. _____

For extended absences, or any absence in advance, a [Pre-Approved Absence Form](#) should be filled out and returned to the Attendance Office. A paper copy of this form is available in the Attendance Office and the Main Office. [Students should contact their teachers for homework requests.](#) Any student, once they turn 18 years old, may choose to fill out an [18 Year-Old Contract](#) to be able to excuse their own attendance, if signed by the student, guardian, and administrator. A paper copy of this form is available in the Attendance Office.

Have a Great Ranger Day!

CHILL WEEK NEWSLETTER

MAY
2026

Look What We Did

Chill Week was April 13th-17th, 2026. This is a mental health-focused week and gives students the opportunity to practice positive mental health strategies

MONDAY: MOVEMENT MONDAY

Students had the opportunity to participate in a yoga session led by Rootdown Yoga Studio.

TUESDAY: TECH-FREE TUESDAY

Students went tech-free to encourage connection with peers. Students had the opportunity to turn in their phones for the day and participate in a connection bingo activity.

WELLNESS WEDNESDAY

Students enjoyed a show from Logan/Central's Confluence group, a high-energy student rock band. It was a great way for students to cheer on their peers!

TACKLE-IT THURSDAY

Students were able to create a DIY fidget. They made mindfulness jars to utilize as a potential coping strategy.

LOGAN FAMILY FRIDAY

To wrap up Chill Week, students had the chance to participate in a variety of different activities throughout the campus to promote social connection and positive school culture. It was a nice reminder to take a break, have some fun, and just spend time together. Events like this remind us how special our Logan Family is.

What Students are Saying

- "I really enjoyed the opportunity to participate in chill week and get a little break from the stress of school!"
- "I think that it was awesome how Logan prioritizes the mental health of their students!"
- "I really liked it because then you had something to look forward to everyday."
- "I really liked the 2 hours we had to hangout, I saw a lot of people doing different things and it was great to talk with people I don't have classes with."
- "It was peak"

Students in Mr. Wall's Business Management & Entrepreneurship class competed in the Annual J.A. Titan Regional Business Challenge. Of those competing teams, Logan students/teams had an incredible amount of success - winning four of the Top Five Places and bringing home a total of \$3,750.00 in scholarship dollars. This amount of such great success is a first of its kind in the past 15 years of this competition!

Team of Bennett Knerzer, Jonah Paglini and Gavin Kreiling earned 5th Place.

Team of Calessa Adams, Ava Kerrigan and Lola Xiong earned 4th Place.

Team of Sam Bleidorn, Mason Cogburn and Colin Mahlum earned 3rd Place. Each of these students earned \$250.00.

Team of Jackson Bosch, Bubba Leaver and Andrew Stanton earned the 1st Place Trophy, the Champions of the Challenge - and also earned the Award of "Best Dressed Team"! For their efforts, each of these three students earned \$1,000.00!

Our 1st Place Team will now compete in the State Business Challenge in Sheboygan in May!!

A HUGE Congratulations goes out to all of our students, for representing themselves and Logan High School on such high, young business professional levels!

Annual J.A. Titan Regional Business Challenge

LOGAN CORNHOLE CLUB

It has been quite a 3rd year for the Logan Cornhole Club. We continue to have 80-100 students participating on a regular basis. With the new schedule eliminating Homeroom on some days, we ended up with a monthly vs bi-monthly offering this year. The good news was having 45 minutes instead of our previous 30. We now have enough boards (14 sets) and other equipment to meet student involvement and participation. Our motto is borrowed from the American Cornhole League (ACL): "Anyone Can Play, Anyone Can Win." I impart this to current and prospective participants telling them that cornhole is a game/sport that anyone can enjoy regardless of ability.

We held intra-club blind draw and partner tournaments and our "spirit-raiser" Airmail Challenge event during lunches. Our 3rd Game of Throws Cornhole Tournament was held on March 22. Community business donations and sponsor support helped our event be successful again. 29 teams with players from the area, as well as travelers from Madison, Eau Claire, Rochester, Winona, et al combined to make for a fun and competitive event. We raised enough money to both award our first scholarships and establish a foundation to make these annually going forward. Two deserving seniors; Brigsen Schaffer and Elizabeth Witcraft - were chosen as our first recipients for their club participation, character and academic efforts. We participated in our Student Services Chill Week by offering Cornhole and Ping Pong among the many activities of the final day's offerings for the whole student and staff body. We look forward to the same and more in the 2026-2027 school year!

Mr. Hollowitsch, Logan Cornhole Club Advisor

YOUTH APPRENTICESHIP

Earn & Learn

A Youth Apprentice can earn a paycheck from an employer and credit from the school district while they learn, either as part of the school day or after school hours! Every year we seek juniors & seniors who desire a capstone experience to their high school education and an early start to a potential career pathway.

Whether your student already has a job or not, this may be a great way to bridge to post-high school plans.

Complete the YA interest form by scanning the QR below, visit <https://www.lacrosseschools.org/programs-services/youth-apprenticeship> or email Program Facilitator, Matt Weege mweege@lacrossesd.org.

A PAYCHECK

From day one, you will earn a paycheck for your work.

HANDS-ON TRAINING

Receive practical on-the-job training in your chosen occupation.

AN EDUCATION

You will learn from both your job and classroom related instruction.

A CAREER

Youth Apprenticeship can lead to a fulfilling, long-term career.

CERTIFICATION

Earn an industry recognized completion certificate.

SCHOOL DISTRICT OF
LA CROSSE

Future Center is open ALL SUMMER!

Class of 2027, don't let the summer pass you by without touching base with the Future Center.

Advisor Kathi Millard is available *all summer* to help you with your post high school plans.

Ms. Millard can help with:

- Career exploration to discover what pathways you are interested in
- Guidance with post secondary options and help with applications
- Job shadows to help explore different career fields
 - Financial aid and the application process
 - Essay writing
 - Scholarships
- Interviewing and verbal presentation skills
