Minutes

Kristina Ford, Director of Counseling and Student Services, called the meeting to order at 5:31 PM.

The Council reviewed the November 19, 2025, meeting minutes. Dr. Susan Silve, Assistant Superintendent of Instructional Support made the motion to approve the minutes as presented. Dr. Jilian Stafflinger, CCISD elementary parent representative, made the second. The motion passed unanimously.

Dr. Sharon Lopez, Executive Director for Secondary Education and CCISD Title IX Coordinator, presented the CCISD Bullying & Harassment Investigation Process. Dr. Lopez shared the five-step process, which includes: 1) Report, 2) Ensure Safety, 3) Investigate, 4) Determine Findings & Take Action, and 5) Notify & Document. Attendees received a one-page document outlining the process.

Mrs. Ford briefly reviewed the CCISD Bullying Prevention Curriculum Document with the SHAC members with emphasis on the Evidence of Learning for each grade level. The members divided into small groups and looked at proposed questions for the student bullying prevention survey and considered if the proposed questions will 1) demonstrate the Evidence of Learning, 2) need to have anything added, and 3) if the members have any additional wonders or comments. Everyone had time to look at all of the questions and provide written feedback on the grade-level sheets and ask questions aloud. Mrs. Ford and Amy Killgore, Prevention Specialist, will review all of the feedback and make changes as appropriate based on the feedback in alignment with the lessons. Mrs. Ford explained that student survey will be conducted during the 2026-27 school year.

There was no input from community members.

Ford adjourned the meeting at 6:24 PM
