7. **RENEGOTIATION OR MODIFICATIONS:** Buyer shall have the right at any time, by written notice to Seller, to make changes or suspend performance, in whole or in part to this PO. 17. **SEPARABILITY CLAUSE:** A declaration by any court, or any other binding legal source, that any provision of this contract is illegal and void shall not affect the legality and enforceability of any other provision of this contract, unless the provisions are mutually dependent.
18. **DEBARMENT:** The Seller certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract), by any governmental department or agency. If the Seller cannot certify this statement, attach a written explanation for review by CCSD. The Seller must notify CCSD Director of Purchasing within 30 days if debarred by any governmental entity during the Contract period.
19. **TERMINATION:** Unless otherwise stated in the Special Terms and Conditions, this contract may be terminated, with cause by either party, in advance of the specified termination date, upon written notice being given by the other party. The party in violation will be given ten (10) working days after notification to correct and cease the violations, after which the contract may be terminated for cause. This contract may be terminated without cause, in advance of the specified expiration date, by either party, upon sixty (60) days prior written notice being given the other party. On termination of this contract, all accounts and payments will be processed according to the financial arrangements set forth herein for approved services rendered to date of termination.
20. **DEFAULT AND REMEDIES:** Any of the following will constitute cause for CCSD to declare the Seller in default of the contract: 1. Nonperformance of contractual requirements; 2. Impose liquidated damages, if liquidated damages are listed in the contract; 4. Suspend Seller from receiving future bid/proposal solicitations.
21. **FORCE MAJEURE:** Neither party to this contract will be held responsible for delay or default caused by fire, riot, acts of God and/or war which is beyond that party's reasonable control. CCSD may terminate this contract after determining such delay or default will reasonably prevent successful performance of the contract.
22. **NONAPPROPRIATION OF FUNDS:** The Seller acknowledges that CCSD cannot contract for the payment of funds not yet appropriated by the Board of Education. If funding to CCSD is reduced due to an order by the Board of Education, or is required by State law, or if federal funding (when applicable) is not provided or reduced, CCSD may terminate this contract or proportionately reduce the services and purchase obligations and the amount due from CCSD upon 30 days written notice. In the case that funds are not appropriated or are reduced, CCSD will reimburse Seller for products delivered or services performed through the date of cancellation or reduction, and CCSD will not be liable for any future commitments, penalties, or liquidated damages.
23. **SALES TAX EXEMPTION:** Prices will be exclusive of state sales, use and federal excise taxes. CCSD's sales and use tax exemption number is 12286526-010-STC. The tangible personal property or services being purchased are being paid from CCSD funds and used in the exercise of that entity's essential functions. If the items being purchased are construction materials, they will be converted into real property by employees of this government entity, unless otherwise stated in the contract.
24. **WARRANTY:** The Seller agrees to warrant and assume responsibility for all products (including hardware, firmware, and/or software products) that it licenses, contracts, or sells to CCSD under this contract for a period of one year, unless otherwise specified and mutually agreed upon elsewhere in this contract. The Seller (seller) acknowledges that all warranties granted to the buyer by the Uniform Commercial Code of the State of Utah apply to this contract. Product liability disclaimers and/or warranty disclaimers from the seller are not applicable to this contract unless otherwise specified and mutually agreed upon elsewhere in this contract. In general, the Seller warrants that: (1) the product will do what the salesperson said it would do, (2) the product will live up to all specific claims that the manufacturer makes in their advertisements, (3) the product will be suitable for the ordinary purposes for which such product is used, (4) the product will be suitable for any special purposes that CCSD has relied on the Seller's skill or judgment to consider when it advised CCSD about the

product, (5) the product has been properly designed and manufactured, and (6) the product is free of significant defects or unusual problems about which CCSD has not been warned. Remedies available to CCSD include the following: The Seller will repair or replace (at no charge to CCSD) the product whose nonconformance is discovered and made known to the Seller in writing. If the repaired and/or replaced product proves to be inadequate, or fails of its essential purpose, the Seller will refund the full amount of any payments that have been made. Nothing in this warranty will be construed to limit any rights or remedies CCSD may otherwise have under this contract.

25. **PUBLIC INFORMATION:** Seller agrees that the contract, related sales orders, and invoices will be public documents, and may be available for distribution. Seller gives CCSD express permission to make copies of the contract, related sales orders, and invoices in accordance with the State of Utah Government Records Access and Management Act (GRAMA). Except for sections identified pursuant to Subsection 63G-2-309(1) in writing under the business confidentiality exception under Subsection 63G-2-305 (1) and/or (2) or another exception and expressly approved by CCSD Department of Purchasing, Seller also agrees that the Seller's response to the solicitation will be a public document, and copies may be given to the public under GRAMA laws. The permission to make copies as noted will take precedence over any statements of confidentiality, proprietary information, copyright information, or similar notation.
26. **ORDERING AND INVOICING:** All orders will be shipped promptly in accordance with the delivery schedule. The Seller will promptly submit invoices to CCSD within thirty (30) days of shipment or delivery of goods/services. CCSD contract number and/or the agency PO number shall be listed on all invoices, freight tickets, and correspondence relating to the contract order. The prices paid by CCSD will be those prices listed in the contract. CCSD has the right to adjust or return any invoice reflecting incorrect pricing.
27. **PAYMENT:** Payments are normally made within thirty (30) days following the date the order is delivered or the date a correct invoice is received, whichever is later. All payments to the Seller will be remitted by mail unless paid by CCSD Purchasing Card (major credit card).
28. **PATENTS, COPYRIGHTS, ETC.:** The Seller will release, indemnify and hold CCSD, its officers, agents and employees harmless from liability of any kind or nature, including the Seller's use of any copyrighted or uncopied composition, secret process, patented or un-patented invention, article or appliance furnished or used in the performance of this contract.
29. **ASSIGNMENT/SUBCONTRACT:** Seller will not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this contract, in whole or in part, without the prior written approval of CCSD.
30. **PROCUREMENT ETHICS:** The Seller understands that a person who is interested in any way in the sale of any supplies, services, construction, or insurance to CCSD is violating the law if the person gives or offers to give any compensation, gratuity, contribution, loan or reward, or any promise thereof to any person acting as a procurement officer on behalf of CCSD, or who in any official capacity participates in the procurement of such supplies, services, construction, or insurance, whether it is given for their own use or for the use or benefit of any other person or organization (§63G-6a-2404, Utah Code Annotated, 1953, as amended).
31. **CONFLICT OF TERMS:** Seller Terms and Conditions that apply must be in writing and attached to the contract. No other Terms and Conditions will apply to this contract including terms listed or referenced on a Seller's website, terms listed in a Seller quotation/sales order, etc. In the event of any conflict in the contract terms and conditions, the order of precedence shall be: 1. CCSD Standard Terms and Conditions; 2. CCSD Contract Signature Page(s); 3. CCSD Additional Terms and Conditions; 4. Seller Terms and Conditions.
32. **PRICE GUARANTEE, ADJUSTMENTS:** The contract pricing resulting from this PO/bid/proposal will be guaranteed for the period specified. Following the guarantee period, any request for price adjustment must be for an equal guarantee period, and must be made at least thirty (30) days prior to the effective date. Requests for price adjustment must include documentation supporting the request and demonstrating a logical mathematical link between the current price and the proposed price. Any adjustment or amendment to the contract will not be effective unless approved by the CCSD Director of Purchasing. The District will be given the immediate benefit of any decrease in the market, or allowable discount.
33. **STATUS VERIFICATION SYSTEM:** The Seller verifies that they are in compliance with Utah Code

Annotated, §63G-12-302 to verify the work eligibility of contractor's employees. The law makes it unlawful for a Utah employer to terminate a U.S. citizen and replace that individual with an undocumented worker hired after July 1, 2009. Utah Code Annotated, §63G-12-302 requires Sellers who perform physical services within the State to register and participate in a Status Verification System before entering into contracts with public employers. Contracts awarded through a request for proposal process require a clause mandating the prime and subcontractor to use an approved Status Verification System.

34. **DISPUTES:** In the event of any dispute relating to the PO, the Seller agrees to make diligent and reasonable attempts to resolve disputes through negotiations.
