MESSAGE FROM PRINCIPAL

Nathan Chaddick
PRINCIPAL

Dear Ross S. Sterling HS Class of 2026,

Thirteen years has flown by and now you have reached the pinnacle of your K-12 experience. Seeing your smiling faces as you walk through the halls, cheering you on at your games and performances, relishing in your successes and comforting you when you needed it the most has been one of the highlights of my life.

As you contemplate on your next journey; whether it be college, career, the military or even a "break year," know that you will always have the full support of your Sterling Ranger family. Take this time to reflect on the experiences you gained throughout your time in the district and use them to project you forward towards a more successful future.

One of my favorite musicians is Frank Sinatra. I'm sure many of you have probably never heard of Frank Sinatra, but he is arguably one of the greatest musicians of all time. He was a young man, born to immigrant parents, from very humble beginnings that took what life gave him and made magic. That is exactly how I feel about all of you. One of my favorite songs by Sinatra is entitled, "My Way." There are so many gems that he included in this song, but it is the words he wrote in the third verse that not only resonate with my life, but I'm sure will resonate with yours as you embark upon this critical journey in your lives. "Yes, there were times, I'm sure you knew when I bit off more than I could chew, but through it all, when there was doubt, I ate it up and spit it out, I faced it all, and I stood tall and did it my way." As students, you have faced some challenges that could have easily derailed you, but instead of retreating, you took the bull by the horns and pushed through. That is what being a GIANT is all about.

On behalf of your Ross S. Sterling High School family, we congratulate you on this major milestone and wish you the best that life has to offer. You have completed this race and now you are ready to tackle the next hurdle. It has truly been an honor to serve as your principal and I will sincerely miss you all.

Best wishes,

Nathan Chaddick

MESSAGE FROM SUPERINTENDENT

Dear Graduates of the Class of 2026,

As we celebrate this important milestone, I want to congratulate each of you on reaching this moment. Graduation represents years of hard work and growth, and tonight reflects all you have accomplished throughout your journey in Goose Creek CISD.

During my first semester as superintendent, I have had the opportunity to meet students and learn more about the strength of this district. One thing that has stood out to me the most is our students' dedication and determination. Whether in academics, athletics, fine arts, career and technical education, or service to others, the Class of 2026 has represented Goose Creek CISD with pride and excellence.

Joe Rodriguez, Ed.D
SUPERINTENDENT
OF SCHOOLS

As you prepare for what comes next, I encourage you to continue setting high expectations for yourselves and to approach each new opportunity with confidence and purpose. The experiences you have gained during your time in Goose Creek CISD have helped prepare you for the future, and I am confident you will continue to grow and succeed in the years ahead.

No matter where your path leads, remember the lessons, relationships, and experiences that have shaped you along the way. Carry forward the resilience and sense of community that define what it means to be a Giant.

I also want to thank the families, educators, and staff members who have supported our graduates throughout this journey. Your encouragement and commitment have played an important role in helping students reach this milestone.

Graduates, congratulations once again on this achievement. We are proud of you and look forward to all you will accomplish in the future.

Congratulations, Class of 2026!

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Rodriguez". The signature is stylized with a large, sweeping initial "J" and a cursive "Rodriguez".

Joe Rodriguez, Ed.D.

The students who will be speaking at the graduation ceremony were selected based on neutral criteria to deliver messages of the students' own choices. The content of each student speaker's message is the private expression of the individual student and does not reflect any position or expression of the school district or the board of trustees, or the district's administration, or employees of the district, or the views of any other graduate. The contents of these messages were prepared by the student volunteers, and the district refrained from any interaction with student speakers regarding the student speakers' viewpoints on permissible subjects.
