

Dear Cambrian Community,

The Cambrian School District Board of Education invites community members to apply to serve on the District's 7-11 Committee. As part of our ongoing planning efforts, the Board is considering the future use of the Sartorette Elementary School site, which will close at the end of the 2025–2026 school year. This includes exploring and evaluating a range of potential uses for the property, including possible leasing opportunities.

This Committee plays an important advisory role in helping the District and Board thoughtfully consider what comes next for the Sartorette site. Members will serve in a voluntary, unpaid capacity and will not be considered employees or agents of the District. The Committee will review relevant data, documents, reports, and studies in order to develop informed recommendations for the Board.

Consistent with Education Code requirements, the Committee will be responsible for the following:

(a) Reviewing all data provided by the District to determine whether to recommend the surplusing and potential lease of Sartorette;
(b) Establishing a priority list of potential uses of Sartorette that are acceptable to the surrounding community;
(c) Sharing the proposed priority list with the Sartorette community and conducting at least one public hearing to gather input on acceptable uses, including leasing the property;

(d) Developir ite; and
(e) Presentin plus and, if
so, identifying a priority list of acceptable uses.
