

2026-2027 MnMTSS PATHWAYS

Statewide sessions are held virtually via zoom. Ongoing coaching and support throughout the school year from your service cooperative's Regional MnMTSS Lead is available with registration. Click the links below or scan the QR code to register.

Developing Successful Teams for MnMTSS Implementation	Establishing Effective Tier 2 and Tier 3 Teams and Programming
Overview: This course is highly recommended for district, charter, and Tribally Controlled schools interested in deep and sustainable implementation of MnMTSS. For teams interested in improving implementation of a successful linked team structure, this course builds on the team inventory started during the Introduction to MnMTSS six-session course, takes a deep dive into how teams need to be functioning for successful implementation of MnMTSS, and provides opportunity for local planning. Aligned Support: • Before: In preparation for this course, a MnMTSS Lead will meet with the district point-person to ensure the team is prepared for what the learning and implementation in this Pathway entails and set up for success. • During/After: MnMTSS Leads provide coaching and technical assistance after each session to support teams in contextualizing and implementing the learning from the course. Target Audience: District Level Leadership Team Prerequisites: • Introduction to MnMTSS Pathway • System Leadership Pathway Choose <u>one</u> of the following options:  Winter: Wednesdays, 9-11:30 a.m. • January 13, 2027 • January 27, 2027 • February 17, 2027  Spring: Thursdays, 9-11:30 a.m. • March 25, 2027 • April 8, 2027 • April 22, 2027 Register for Developing Successful Teams for MnMTSS Implementation.	Overview: District and school leaders will work together to establish expectations for Tier 2 and Tier 3 teams and programming at the district level. Teams will unpack the MnMTSS indicators for Tier 2 and Tier 3 supports and understand key considerations for teams to use the data-based decision-making process to promote positive student outcomes. Teams will have an opportunity to discuss their current Tier 2 and Tier 3 systems and gain resources that support implementation of strong Tier 2 and Tier 3 programming. This includes tools to develop an inventory of evidence-based interventions, teaming agendas, decision rules that guide data interpretation, and documented intervention plans. Aligned Support: • Before: In preparation for this course, a MnMTSS Lead will meet with the district point-person to ensure the team is prepared for what the learning and implementation in this Pathway entails and set up for success. • During/After: MnMTSS Leads provide group aligned support sessions where teams have time to work on action items introduced in the session with the support of these highly knowledgeable professionals. Target Audience: District Level Leadership Team Prerequisites: • Introduction to MnMTSS Pathway • System Leadership and Developing Successful Teams Pathways OR the former Implementation of MnMTSS 9-Session Course Choose the following option:  9-11:30 a.m. • Wednesday, January 20, 2027 • Wednesday, February 24, 2027 • Thursday, February 25, 2027 • Wednesday, March 24, 2027 Register for Establishing Effective Tier 2 and Tier 3 Teams Programming Group Aligned Support Sessions: Wednesdays, 9-10:30 a.m. • February 10, 2027 • March 10, 2027 • April 14, 2027 <i>A registration link for group aligned support will be shared in the first session.</i>

Facilitated Self-Evaluation of MnMTSS for District Leadership Teams (SEMI-DLT)	Implementing Minnesota's Early Indicator Response System (MEIRS)
Overview: This 3-hour session begins with a brief overview of the Self-Evaluation of MnMTSS for District Leadership Teams (SEMI-DLT) and its value for driving and monitoring system change. Teams are introduced to a protocol for completing the SEMI-DLT and the MnMTSS Lead is present to facilitate, provide clarification of the items and support accurate assessment. Aligned Support: • Before: Pre-Session Consultation with MnMTSS Lead to understand the local context, ensure district-wide representation, and plan ahead to ensure all participants are able to contribute information that reflects an honest assessment of the system. • During/After: Post-Session Consultation with MnMTSS Lead to examine results, review progress from the previous administration, and consider next steps for implementation. Target Audience: District Level Leadership Team Prerequisites: Introduction to MnMTSS Pathway Choose the following options: 3-hour in-person sessions scheduled as needed. Use this form to request this offering. <i>A member of the MnMTSS Statewide team will reach out to schedule a pre-session consultation.</i>	Overview: As part of the MnMTSS framework, Minnesota's Early Indicator Response System (MEIRS) serves as a universal screening to intervention process that is used in secondary systems to determine the effectiveness of Tier 1, identify students in need of additional support, and provide high-quality Tier 2/Tier 3 support matched to student needs. This eight-session course will support secondary school teams to implement the MEIRS. Aligned Support: • Before: In preparation for this course, a MnMTSS Lead will meet with the district point-person to ensure the team is prepared for what the learning and implementation in this Pathway entails, and set up for success. • During/After: MnMTSS Leads provide coaching and technical assistance after each session to support teams in contextualizing and implementing the learning from the course. Target Audience: Team of district-level system leaders, including the District Assessment Coordinator, with representatives from the secondary school(s) that will implement MEIRS. Prerequisites: None. <i>Highly Recommended: Introduction to MnMTSS Pathway</i> Choose the following option: 🔗 Wednesdays, 9-10:30 a.m. • October 7, 2026 • November 14, 2026 • December 2, 2026 • January 6, 2027 • February 3, 2027 • March 3, 2027 • April 7, 2027 • May 5, 2027 Register for Implementing MEIRS.
Introduction to MnMTSS (6 session course)	Leading School-Level Implementation of MnMTSS
Overview: This course is foundational to MnMTSS Implementation. Teams will unpack the five components of the MnMTSS Framework and begin to get a clear picture of their own system in relation to each component and subcomponent. To do this, teams complete the Self Evaluation of MnMTSS for District Leadership Teams (SEMI-DLT). Finally, teams use their SEMIDLTL results and the MnMTSS Action Planning Guide to create a focused plan for system improvement. Aligned Support: • Before: In preparation for this course, a MnMTSS Lead will meet with the district point-person to ensure the	Overview: Sessions 1 and 2 for Principals and District Leadership: These sessions are designed to support the rollout of MnMTSS from the district to the school-level. The sessions also equip school principals with the information they need to guide their school leadership team through MnMTSS implementation. Sessions 3-10 for School Leadership Teams: These sessions are designed to support School Leadership Teams in beginning or enhancing their MnMTSS implementation with a focus on building coherence with district MnMTSS guidance. Teams unpack the five components of the MnMTSS framework and

team is prepared for what the learning and implementation in this Pathway entails and set up for success.

- **During/After:** MnMTSS Leads provide coaching and technical assistance after each session, to support teams in contextualizing and implementing the learning from the course, including developing a strong action plan.
