<u>Daily Snack:</u>
Each day our students will need to come with a snack from home. Snack is an opportunity to build language and social skills. We ask that you pack a snack for your child every day so that they have enough energy to give their very best! Please do not send candy or juice for snack time. Other children get upset if they do not get some, and it can cause jealousy. Thank you for your support in this matter.

<u>Optional Items for Art and Sensory Centers:</u>
Playdough, astro bright paper, white card stock, crayons, washable markers, bubbles, washable tempura paint, ziploc bags – sandwich and gallon, amazon gift card, any educational toys from home are welcome to be donated to our classroom as well!
