Millstone Middle School
Honors ELA Placement
Grade Eight

In Grade 8, we have two options for Language Arts instruction. The majority of our students are placed in our grade-level Language Arts program. A select group of students are placed in our 8th grade Honors Language Arts program.

In an effort to place each student at a level that ensures both success and challenge, we look carefully at the following measures:

- 7th Grade Language Arts final cumulative average
- Literary Assessment
- 7th Grade Link It Form C score
- In-class performance scale

A student's performance on each of the measures is assigned a point value according to the tables provided below, with a maximum possible score of 20 points. Any students scoring 15 or higher are afforded the option of being enrolled in Language Arts Honors 8. Students who score below 15 points will be scheduled in the grade-level Language Arts program.

Should you have any questions about the placement of your child, please feel free to contact Lauren Dominick, Millstone Middle School Principal, at LDominick@millstone.k12.nj.us

Thank you for your interest in our Honors Language Arts placement process and in the education of your child.

Sincerely,

Dr. Paul Baker
Director of Curriculum and Instruction
